6.0 (13)-Violence Against Women

The Housing Authority of the City of Glennville provides or offers the following activities, services or programs, either directly or in a partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault or stalking.

Through cooperation with the local domestic violence agency and the City of Glennville Police Department, any cases of violence as described are referred for assistance. The local domestic violence agency is Safe Haven, a domestic violence intervention center located in Statesboro, Georgia.

The Housing Authority of the City of Glennville provides or offers the following activities, services or programs that help children, adults and victims of domestic violence, dating violence, sexual assault or stalking to obtain or maintain housing.

Safe Haven's domestic violence program staff is aware of our housing program. The agency makes referrals to our office. Apparently eligible clients are placed on our waiting list.

For persons already living in a Housing Authority unit who become victims as described, these are referred to police and Safe Haven programs for assistance. If the management becomes aware of any violator who may be restricted through an order of protection, that person is prohibited from the premises and is considered a trespasser subject to arrest and removal. The Police Department is cooperative and supportive in cases such as this and willingly responds and enforces the protective orders.

The Housing of the City of Glennville provides or offers the following activities, services or programs to prevent domestic violence, dating violence, sexual assault and stalking or to enhance victim safety in assisted families.

The same methods as described herein, making referrals to Safe House for counseling and support services and attempting to enforce orders of protection with the cooperation of Police Department is used.

The Housing Authority is striving to fully comply with all requirements of the Violence Against Women Act (VAWA). First, the Authority will not deny admission to an applicant who has been a victim of domestic violence, dating violence or stalking. The applicant must comply with all other admission requirements. Also, the Authority will not terminate the assistance to a victim of domestic violence or stalking based on an incident report or threat of such activity. The Authority still retains the right to terminate assistance for other criminal activity or good cause. All information provided by an applicant or tenant regarding (VAWA) will be held in strict confidence and will not be shared with any other parties, unless required by law.

At this time, the Housing Authority does not intend to put victim of domestic violence admissions preference in place. The Executive Director will periodically review the need for such preference and may add an admissions preference for victim of domestic violence if a need is determined.

The Housing Authority notifies all applicants of the Violence Against Women Act during the application process. The Authority issues each applicant a pamphlet detailing their rights under the act.
